GENERAL INFORMATION

CERTIFICATE OF USE

(Pursuant to Section 100(f) of the Sale and Supply of Alcohol Act 2012)

You need to apply for a Certificate of Use (CoU) prior to applying for a new alcohol licence and may require a new CoU for renewals with variation that increases the licensed hours or area.

This CoU confirms that the proposed use of the premises meets the requirements of the Resource Management Act 1991 and the building code.

This CoU is managed by Hutt City Council's Resource Consents and Building teams.

The application form for this certificate is available on the Hutt City Council website (apply for an alcohol licence page). If you have any questions about the CoU please contact the Resource Consents duty planner on 04 570 6781.

PUBLIC NOTICES

After submitting a licence application (new or renewal) you must notify the public of your application in accordance with Sections 101 and 127(3) of the Sale and Supply of Alcohol Act 2012, and Regulations 36, 37, 38 and 39 of the Sale and Supply of Alcohol Regulations 2013.

You have the choice of advertising in the Hutt News or on the Hutt City Council Website, and you must also display a copy at the premises in a place that can be clearly seen by the public.

A Licensing Inspector will check the draft public notice to ensure the details are correct.

If you choose to advertise in the Hutt News:

All new applications must be advertised by placing two consecutive advertisements one week apart in the Hutt News.

Renewal applications for medium and high-risk category premises must advertise by placing two consecutive advertisements one week apart in the Hutt News.

Renewal applications for low or very low risk category premises only need to advertise once in the Hutt News.

You must supply the District Licensing Committee (DLC) with the full page/s from the Hutt News containing the advertisements once published.

If you choose to advertise on the Hutt City Council Website:

The invoice will be emailed to your nominated email address provided in the application form.

Once payment has been received the public notice will be advertised on the Hutt City Council website.

You will receive an email confirming the public notice, with a link to the publication page

[Alcohol licence public notices | Hutt City Council](#)

The public notice must also be displayed onsite:

- Once the final copy of the public notice has been returned to you, you are required to display it in a place that can clearly be seen by the public outside of the premises.

STAFF TRAINING

One of the criteria that the DLC must consider when deciding on the issue of a new or renewal licence is the staff, systems and training that the Licensee has in place.

It is expected that all businesses operating licensed premises have a current and relevant training plan in place for **all staff** that work in the bar and front of house. The plan should include how often the training will take place (ie: induction training for new staff and regular refresher training for current/existing staff).

You will be asked for this plan and proof that it is being followed. Providing training records is one way to show this.

Are your staff trained in host responsibility?

Free online 'ServeWise' training available from the Health Promotion Agency (HPA) at

[Alcohol Resources — ServeWise](#)

CERTIFICATED DUTY MANAGERS

For most licensed premises at least two certificated managers will need to be appointed. Their name must be clearly displayed in the premises when on duty.

NOTICE OF APPOINTMENT / TERMINATION OF MANAGERS

All Licensees are required to notify the appointment and/or termination of all certificate holding managers to the DLC and Police.

If the appointment and/or termination of certificate holding managers, or the appointment of any acting or temporary managers (if applicable) is not properly notified the Licensee opens itself to infringement fines and the unlawful sale of alcohol.

There is a form available on our website, 'notice of appointment / termination of manager' for your convenience. This notification must be emailed to the two email addresses on the bottom of the form.

The Licensee will also need to update its managers register with the details.

Note: the notification procedure is separate to the application process for a licence or a manager's certificate. If you are unsure if you have properly notified the appointment and/or the termination of the employment of your certificate holding managers, please contact a Licensing Inspector or email sol@huttcity.govt.nz.

EXAMPLE OF HOST RESPONSIBILITY POLICY

This should be used as a guide, and altered where appropriate, to suit the nature of your premises. It is important that policies are in an attractive, easy-to-read format.

Host responsibility house policy for an on-licence

The management and staff of (the premises) have a responsibility to provide an environment that is not only comfortable and welcoming, but where alcohol is served and consumed responsibly. Because of this the following Host Responsibility Policy has been implemented.

- We provide and actively promote a good range of food that is available for sale at all times. Menus are visible at all times.
- We provide and actively promote a range of low-alcohol and non-alcoholic drinks, including (insert your own choices, eg: low-alcohol beer, fruit juices, low-sugar drinks, soft drinks, tea and coffee).
- Iced water is available free of charge at all times.
- It is against the law to serve alcohol to minors. If we are in doubt about your age, we will ask for identification. Acceptable forms of proof of age documents are a current passport, NZ driver's licence, Kiwi Access card, or Hospitality NZ 18+ card.
- Customers who are becoming visibly intoxicated will not be served alcohol, will be asked to leave the premises and will be encouraged to take advantage of safe transport options.
- Our policy is zero tolerance for aggressive, coercive or violent behaviour.
- We promote a range of transport options to get you home safely. These include
- We encourage people to have a designated driver. We will make the driver's job more attractive by providing a range of alcohol-free drinks free of charge.
- We make sure all of these services are well promoted – you won't have to go looking for them.
- We maintain a training and management policy to give our bar staff the skills and support they need to do their job responsibly.

Please be our guest and take advantage of the services we offer. We pride ourselves on being responsible hosts.

ALCOHOL MANAGEMENT PLAN

This plan should include details about how you will put each part of your host responsibility policy into practice. It must include the systems, staff and training that you will implement to ensure that your business complies with the requirements of the Sale and Supply of Alcohol Act 2012. Your plan should include information about:

- How you will ensure intoxication is controlled. Including location of a place of safety, incident logbooks etc
- The steps you will take to ensure minors are not sold alcohol
- A duty manager register
- Your policy about returning unconsumed alcohol to patrons to take home
- The staff you will use and their level of training (so they comply with the requirements of the Act?)
- Your policies concerning promotions of alcohol
- The provision and promotion of food and water
- The steps you will take to prevent or reduce noise, nuisance, vandalism, and other harm being caused by your customers
- Door staff and security
- How will you help patrons get home safely

FEES – EFFECTIVE FROM 1 JULY 2025

Hotels, function centres, “Class 1” clubs, “Class 2” restaurants, universities and polytechnics	10						
Remote sales, “Class 2” clubs, “Class 3” restaurants, other	5						
Theatres/cinemas, wine cellar doors, BYO restaurants, “Class 3” clubs	2						

Class 1 restaurants – restaurants with a significant separate bar area which, in the opinion of the relevant TA, operate that bar at least one night a week in the nature of a tavern, such as serving alcohol without meals to tables situated in the bar area.

Class 2 restaurants – restaurants that have a separate bar (which may include a small bar area) but which, in the opinion of the relevant TA, do not operate that area in the nature of tavern at any time.

Class 3 restaurants – restaurants that only serve alcohol to the table and do not have a separate bar area.

Enforcement – has the same meaning as a “Holding” under section 288 of the Act.
