GENERAL INFORMATION

CERTIFICATE OF USE

(Pursuant to section 100(f) of the Sale and Supply of Alcohol Act 2012)

You need to apply for a Certificate of Use (CoU) prior to applying for a new alcohol licence and may require a new CoU for renewals with variation that increases the licensed hours or area.

This CoU confirms that the proposed use of the premises meets the requirements of the Resource Management Act 1991 and the building code.

This CoU is managed by Hutt City Council's Resource Consents and Building teams.

The application form for this certificate is available on the Hutt City Council website (apply for an alcohol licence page). If you have any questions about the CoU please contact the Resource Consents duty planner on 04 570 6781.

PUBLIC NOTICES

After submitting a licence application (new or renewal) you must notify the public of your application in accordance with Sections 101 and 127(3) of the Sale and Supply of Alcohol Act 2012, and Regulations 36, 37, 38 and 39 of the Sale and Supply of Alcohol Regulations 2013.

You have the choice of advertising in the Hutt News or on the Hutt City Council Website, and you must also display a copy at the premises in a place that can be clearly seen by the public.

A Licensing Inspector will check the draft public notice to ensure the details are correct.

If you choose to advertise in the Hutt News:

All new applications must be advertised by placing two consecutive advertisements one week apart in the Hutt News.

Renewal applications for medium and high-risk category premises must advertise by placing two consecutive advertisements one week apart in the Hutt News.

Renewal applications for low or very low risk category premises only need to advertise once in the Hutt News.

You must supply the District Licensing Committee (DLC) with the full page/s from the Hutt News containing the advertisements once published.

If you choose to advertise on the Hutt City Council Website:

The invoice will be emailed to your nominated email address provided in the application form.

Once payment has been received the public notice will be advertised on the Hutt City Council website.

You will receive an email confirming the public notice, with a link to the publication page

[Alcohol licence public notices | Hutt City Council](#)

The public notice must also be displayed onsite:

Once the final copy of the public notice has been returned to you, you are required to display it in a place that can clearly be seen by the public outside of the premises.

LICENCE APPLICATIONS WHERE A LEASE IS HELD WITH HUTT CITY COUNCIL

If your club, or organisation, holds a current lease for the land and/or building with Hutt City Council you will need to provide the building owner consent form as a supporting document signed by the Asset Manager responsible for your lease, or the nominated Hutt City Council signatory, consenting to the sale and supply of alcohol taking place from the proposed location. This is due to a clause in the lease agreement.

You can send the building owner consent form along with the details of your licence (name of club, address, licensed hours, if there is an outdoor area etc) and a copy of the floor plan to:

Parks.Reserves@huttcity.govt.nz and Parks.Lesases@huttcity.govt.nz

NOTE: Please use the following wording in the subject line.

Club Licence application - Building Consent required – (name of your club here)

Please attach the signed consent to support your application for a new, renewal and/or variation of your club licence.

STAFF TRAINING

Are your staff trained in host responsibility?

Free online 'ServeWise' training available from the Health Promotion Agency (HPA) at

[Alcohol Resources — ServeWise](#)

One of the criteria that the DLC must consider when deciding on the issue of a new or renewal licence is the staff, systems and training that the Licensee has in place.

It is expected that the club has a current and relevant training plan in place for **all staff/volunteers** that work in the bar. The plan should include how often the training will take place (ie: induction training for new bar staff/volunteers and regular refresher training for current staff/volunteers). You will be asked for this plan and proof that it is being followed. Providing training records is one way to show this.

CERTIFICATED DUTY MANAGERS

At least one certificated manager will need to be appointed, depending on licence conditions. Their name must be clearly displayed in the premises when on duty.

NOMINATING RESPONSIBLE PERSONS

If the club licence conditions do not state that a certificated manager must always be on duty, the club may nominate a 'responsible person or persons' for times when the certificated manager is not available.

The DLC requires that person/s undertake the ServeWise and/or the Licence Controller Qualification (LCQ) training and be able to show evidence of this when requested.

This person's full name must be clearly displayed in the premises when on duty.

NOTICE OF APPOINTMENT / TERMINATION OF MANAGERS

The club is required to notify the appointment of its certificate holding managers to the DLC and Police.

If the appointment and/or termination of certificate holding managers, or the appointment of any acting or temporary managers (if applicable) is not properly notified the club opens itself to infringement fines and the unlawful sale of alcohol.

There is a form available on our website, 'notice of appointment / termination of manager' for your convenience. This notification must be emailed to the two email addresses on the bottom of the form.

The club will also need to update its managers register with the details.

Note: the notification procedure is separate to the application process for a licence or a manager's certificate. If you are unsure if you have properly notified the appointment and/or the termination of the employment of your certificate holding managers, please contact a Licensing Inspector or email sol@huttcity.govt.nz.

EXAMPLE OF HOST RESPONSIBILITY POLICY FOR CLUBS

This should be used as a guide, and altered where appropriate, to suit the nature of your premises. It is important that policies are in an attractive, easy-to-read format.

Host responsibility house policy for a club licence

The management and bar staff of (club name) believe that we have a responsibility to provide an environment that is not only comfortable and welcoming but where alcohol is served responsibly.

Because of this the following Host Responsibility Policy has been implemented.

- We encourage water as the first drink post-game.
- We provide and actively promote a good range of food that is available for sale at all times. Menus are visible at all times.
- We provide and actively promote a range of low-alcohol and non-alcoholic drinks, including (insert your own choices, eg: low-alcohol beer, fruit juices, low-sugar drinks, soft drinks, tea and coffee).
- Iced water is available free of charge at all times.
- Members and their guests who are becoming visibly intoxicated will not be served alcohol, will be asked to leave the premises and will be encouraged to take advantage of safe transport options.
- It is against the law to serve alcohol to minors. If we are in doubt about your age, we will ask for identification. Acceptable forms of proof of age documents are a current passport, NZ driver's licence, Kiwi Access card, or Hospitality NZ 18+ card.
- Our policy is zero tolerance for aggressive, coercive or violent behaviour.
- Alcohol will not be consumed in any area other than the bar, or the area defined in our licence.
- Only alcohol purchased from the bar may be consumed on the premises. No BYO is to be consumed anywhere on this property.
- We promote a range of transport options to get you home safely.
- We encourage people to have a designated driver. We will make the driver's job more attractive by providing a range of alcohol-free drinks free of charge.
- We maintain a training and management policy to give our bar staff the skills and support they need to do their job responsibly.
- Please be our guest and take advantage of the services we offer.
- We pride ourselves on being responsible hosts.

Theatres/cinemas, wine cellar doors, BYO restaurants, “Class 3” clubs	2						

Class 1 clubs – clubs which, in the opinion of the TA, are large clubs (with 1,000 or more members of drinking age) and which, in the opinion of the relevant TA, operate in the nature of a tavern (for example a large working men's club, combined clubs, or large 'cossie' clubs)

Class 2 clubs – clubs which do not fit class 1 or class 3 definitions (for example larger sports clubs, medium sized RSAs, many provincial social clubs)

Class 3 clubs – clubs which, in the opinion of the TA, are small clubs (with up to 250 members of drinking age) and which operate a bar for 40 hours or less per week (for example small sports clubs like bowling clubs, golf clubs, bridge clubs, and small RSAs)

Enforcement – has the same meaning as a “Holding” under section 288 of the Act.
