

SAMPLE PLAN FOR FIREPLACE INSTALLATION

Scale: 1:100 at A4

Date: May 2016

INSTALLATION OF PROPOSED FIREPLACE AND DEMOLITION OF EXISTING FIREPLACE AT 30 SOMEWHERE STREET, LOWER HUTT (Lot 60 DP 1320)

NOTES:

1. Plans must be on white paper with clear black lines and drawn to scale
2. Plans must have a title indicating the proposal, street address and legal description
3. Plans must clearly show where the proposed work is located and must be provided for each level of the building. Additional floor plans need to show smoke alarm locations and flue/chimney location
4. Approved smoke alarm with hush button to be installed within 3 metres of all bedrooms and on escape routes on **all levels** of the building
5. Provide relevant and accurate information on the fireplace, including legible manufacturer's installation details.
