Hi [REDACTED]

Apologies it is not clear on that website but you can pay using cash at the front desk or at a Post office as per the screenshot below. Please be aware that cheques are being phased out of use in New Zealand.

Regards,

Hi Euan

Thanks for getting back to me.

I see on the web link you supplied, that only credit card and bank transfer are mentioned.

By your answer this would mean that other payment options such as cash or cheque are not accepted by the Council, as they are not mentioned on the web link you supplied.

Regards
