Dear [REDACTED]

Request for Information – Local Government Official Information and Meetings Act 1987

We refer to your official information request dated 6 August 2020 for information regarding Cross Valley Link business case.

We have decided to grant your request. However, the Draft Programme Business Case report for the Cross Valley Transport Connections project has to go through a peer review process for some elements before it is finalised. This is an NZTA requirement. The peer reviews should only take a matter of weeks and so we should have a final report to share with the public soon. We will make the report available once it is completed.

Our Head of Transport, John Gloag is more than happy to talk to you about the report before that if you were interested in any specific parts. His email is John.Gloag@huttcity.govt.nz or you can call him on 04 570 6856

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely,

Euan Kyle
