Dear [REDACTED]

Request for Information – Local Government Official Information and Meetings Act 1987

I refer to your official information request dated 23 March 2021 for information regarding the Knights Road Connection Project.

Your request is administratively challenging. There is a large amount of information requested which necessitates a search through a large quantity of information, a lot of which can't be provided for privacy reasons. This will impair-Council's ability to proceed with the project and other work matters.

In light of this, we have decided to meet your request by offering a meeting to discuss the matter. We are permitted to do this under section 15(2) of the LGOIMA because otherwise it would impair the efficient administration of Hutt City Council. If you are happy to take up this request we will get in touch to arrange a meeting.

If you wish to discuss this decision with us, please feel free to contact John Gloag, Head of Transport, Economy and Development.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely

John Gloag

**Head of Transport, Economy and Development
Hutt City Council**
