Days Bay Parking Restrictions

Tēnā koutou katoa,

We received an email from Cr Dyer asking the following.

With the <u>temporary closure</u> of the <u>bulk</u> of the <u>days bay parking</u> till November, will any of the parking restrictions around Days Bay be temporarily removed to allow for the ferry commuters to park there?

Or any temporary parking that be worked on at school or tennis courts etc?

The response from officers follows:

For the duration of the works at Days Bay, the 35 P120 time restricted parking spaces in the area will be changed to having no time limit.

These will revert to P120 once the works have been completed.

Ngā mihi nui,

**Democratic Services Team**
