Naenae Community Library Bollard

Tēnā koutou kato

We received an email from Cr Mitchell alerting us to a missing bollard by the Naenae Community Library.

The response from officers follows:

*We have ordered a new bollard to replace the broken one which will take approximately two weeks to get here.*

*Due to the market requiring access this weekend, we won't be placing a temporary bollard there but will reassess whether something is needed early next week in the interim period before the replacement bollard arrives.*

Ngā mihi nui,

**Democratic Services Team**
