Reshaping Streets Consultation

Tēnā koutou katoa

We received an email from Cr Dyer asking the following

Will HCC be making a submission on the Reshaping Streets proposal out for consultation at the moment from NZTA?

<https://www.nzta.govt.nz/about-us/consultations/reshaping-streets-consultation>

The response from officers follows:

Council officers will be providing officer-level feedback on the Reshaping Streets proposal. This is consistent with Greater Wellington Regional Council.

We are broadly supportive of the proposals that have been put out by Waka Kotahi.
