# Recommended Resolution

## **I recommend that:**

1. Council rejects the recommendation for the dissolution of the three Community Boards
2. Council agrees to establish City Wide Community Boards based on the successful model of the existing three Boards and significantly supports the establishment of the new Boards. This includes reviewing the Terms of Reference for them
3. Council accepts the remainder of the recommendations, but agrees to reconsider the Eastern Boundary for the Harbour Ward by moving the Eastern Boundary for Wainui O Mata Ward landward from Burdans Gate to Baring Head.
