Dear Sir or Madam

Request to extend completion date of work approved for Building Consent BC220517 at 64 Waipounamu Drive KELSON 5010 (Lot 76 and Lot 77).

I am pleased to advise that I have granted your request for an extension of time at the above address.

Please note that:

1. The extension is for twelve months from the date stated in this application, being 17 May 2024 to 17 May 2025.
2. If towards the end of the extension period, you find you still cannot start the building work, please contact Council.
3. Any further extension may require the council to review and perhaps amend your building consent to ensure the documentation remains relevant.
4. If, by the end of that time, you have not started the building work or been granted an extension, your building consent will automatically lapse. A new building consent will need to be obtained before building work can commence.

Please keep this letter with your building consent documents.

Please do not hesitate to contact me on Adit.Tienchantuk-Hunt@huttcity.govt.nz or Tel: [04 560 1088] or contact reception [04 570 6666] if you have any questions.

Yours sincerely,
