6. The reasons for my support or opposition are:

Please give reasons:

I support this application . I would like to lodge a further submission on the submission 516 by FH Developments Limited to rezone 104 Upper Fitzherbert Road from Rural Residential to Medium Density Residential Zone. We believe that it is appropriate that the area of Upper Fitzherbert Road to the north of Wise Street is rezoned to allow for Council to meet their high growth housing demand needs. We also request that our property at 140B Upper Fitzherbert Road is also rezoned to Medium Density Residential Zone to allow for additional housing supply. We believe that given our property proximity to the end of Wise Street it is appropriate that it is rezoned to allow for residential growth to meet the Council growth targets and would align with likely future national direction on this matter.
