## Introduction

8. I wholly reject this SASM proposal as regards my property and the other properties included in Lowry Bay.

I oppose the restriction on my own home and property and my land rights. I believed my property rights can lawfully only be limited democratically, and with compensation. I did not see any record of this new proposal in the draft District Plan issued last year and yet it is now included at the last stage for public consultation. I want my property wholly removed and protected from this SASM proposal.
