2. This is a **further submission** in support of or opposition to a submission on the Proposed Lower Hutt District Plan.

3. I consider that, under Clause 8 of the First Schedule of the Resource Management Act, I may make a further submission because:

I represent a relevant aspect of the public interest

*Please give details:*  
 Owning the property

I have an interest in the Proposed Plan Change that is greater than the interest of the general public

*Please give details:*  
 As we own the property

I represent Hutt City Council

4. I support or oppose the submission of:

*Name and address of original submitter and submission number of original submission:*  
 We would like to lodge a further submission on the submission 516 by FH Developments Limited to rezone 104 Upper Fitzherbert Road from Rural Residential to Medium Density Residential Zone. We believe that it is appropriate that the area of Upper Fitzherbert Road to the north of Wise Street is rezoned to allow for Council to meet their high growth housing demand needs. We also request that our property at enter your address here is also rezoned to Medium Density Residential Zone to allow for additional housing supply. We believe that given our property proximity to the end of Wise Street it is appropriate that it is rezoned to allow for residential growth to meet the Council growth targets and would align with likely future national direction on this matter.

*(Please use additional pages if you wish)*

5. The particular parts of the submission I support or oppose are:

*Clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal*
