

# Submission on Hutt City Proposed District Plan

Clause 6 of Schedule 1, Resource Management Act 1991

To: Chief Executive, Hutt City Council Via email to [district.plan@huttcity.govt.nz](mailto:district.plan@huttcity.govt.nz).

1. This is a submission by Hilary Martin on the Proposed Lower Hutt District Plan 2025 ("PDP").
2. My contact phone number is [REDACTED] My email address for service is [hilarymartin23@gmail.com](mailto:hilarymartin23@gmail.com) My address is 40 Mary Huse Grove Manor Park.
3. I cannot gain an advantage in trade competition through this submission. I am directly affected by an effect of the subject matter of the submission that: (a) Adversely affects the environment, and (b) Does not relate to trade competition or the effects of trade competition.
4. The specific provisions of the proposal that my submission relates to are any provisions that will or may apply to subdivision, development and land use at 30 Benmore Crescent.
5. I am concerned that the PDP does not include the most appropriate objectives, policies and rules / methods to manage the use, development, and protection of natural and physical resources in a way, or at a rate, that enables the existing Manor Park community to continue to provide for our social, economic, and cultural well-being and health and safety. More specifically, I seek that the PDP provisions be retained or amended as required to ensure that any subdivision, land use, and development at 30 Benmore Crescent occurs in a way that avoids adverse effects on the natural environment and the existing residential Manor Park community, including its people, property, the transport network and public spaces. I seek any further, alternative, necessary, or consequential relief as may be necessary to fully achieve the relief sought in this submission.
6. I wish to be heard in support of our submission.
7. If others make a similar submission, we will consider presenting a joint case with them at the hearing.
8. This has been our family home for over 20 years—a place filled with cherished memories, and the bedrock of our connection to the community. It is not only our sanctuary but also our most important financial asset.

This process has deeply disrupted our peace and sense of security, bringing unnecessary harm to our family and our neighbourhood. We respectfully urge you to consider the families who have made their homes here in good faith, trusting in the stability and character of this cherished community.

Please do not proceed with this district plan change.
