Lower Hutt

Dear Mayor and Hutt City Councillors

I wish to speak at the Council meeting on 6 October to present the below petition.

The support for this petition has been huge with over 790 signatories. People are also expressing their disapproval marked by the many empty car parks in the area since this has been introduced.

Petition Request
We, the undersigned, request that the Council suspend the planned introduction of parking meters in Woburn area and undertake meaningful consultation with affected residents before making any decision.

We therefore ask the Council to:

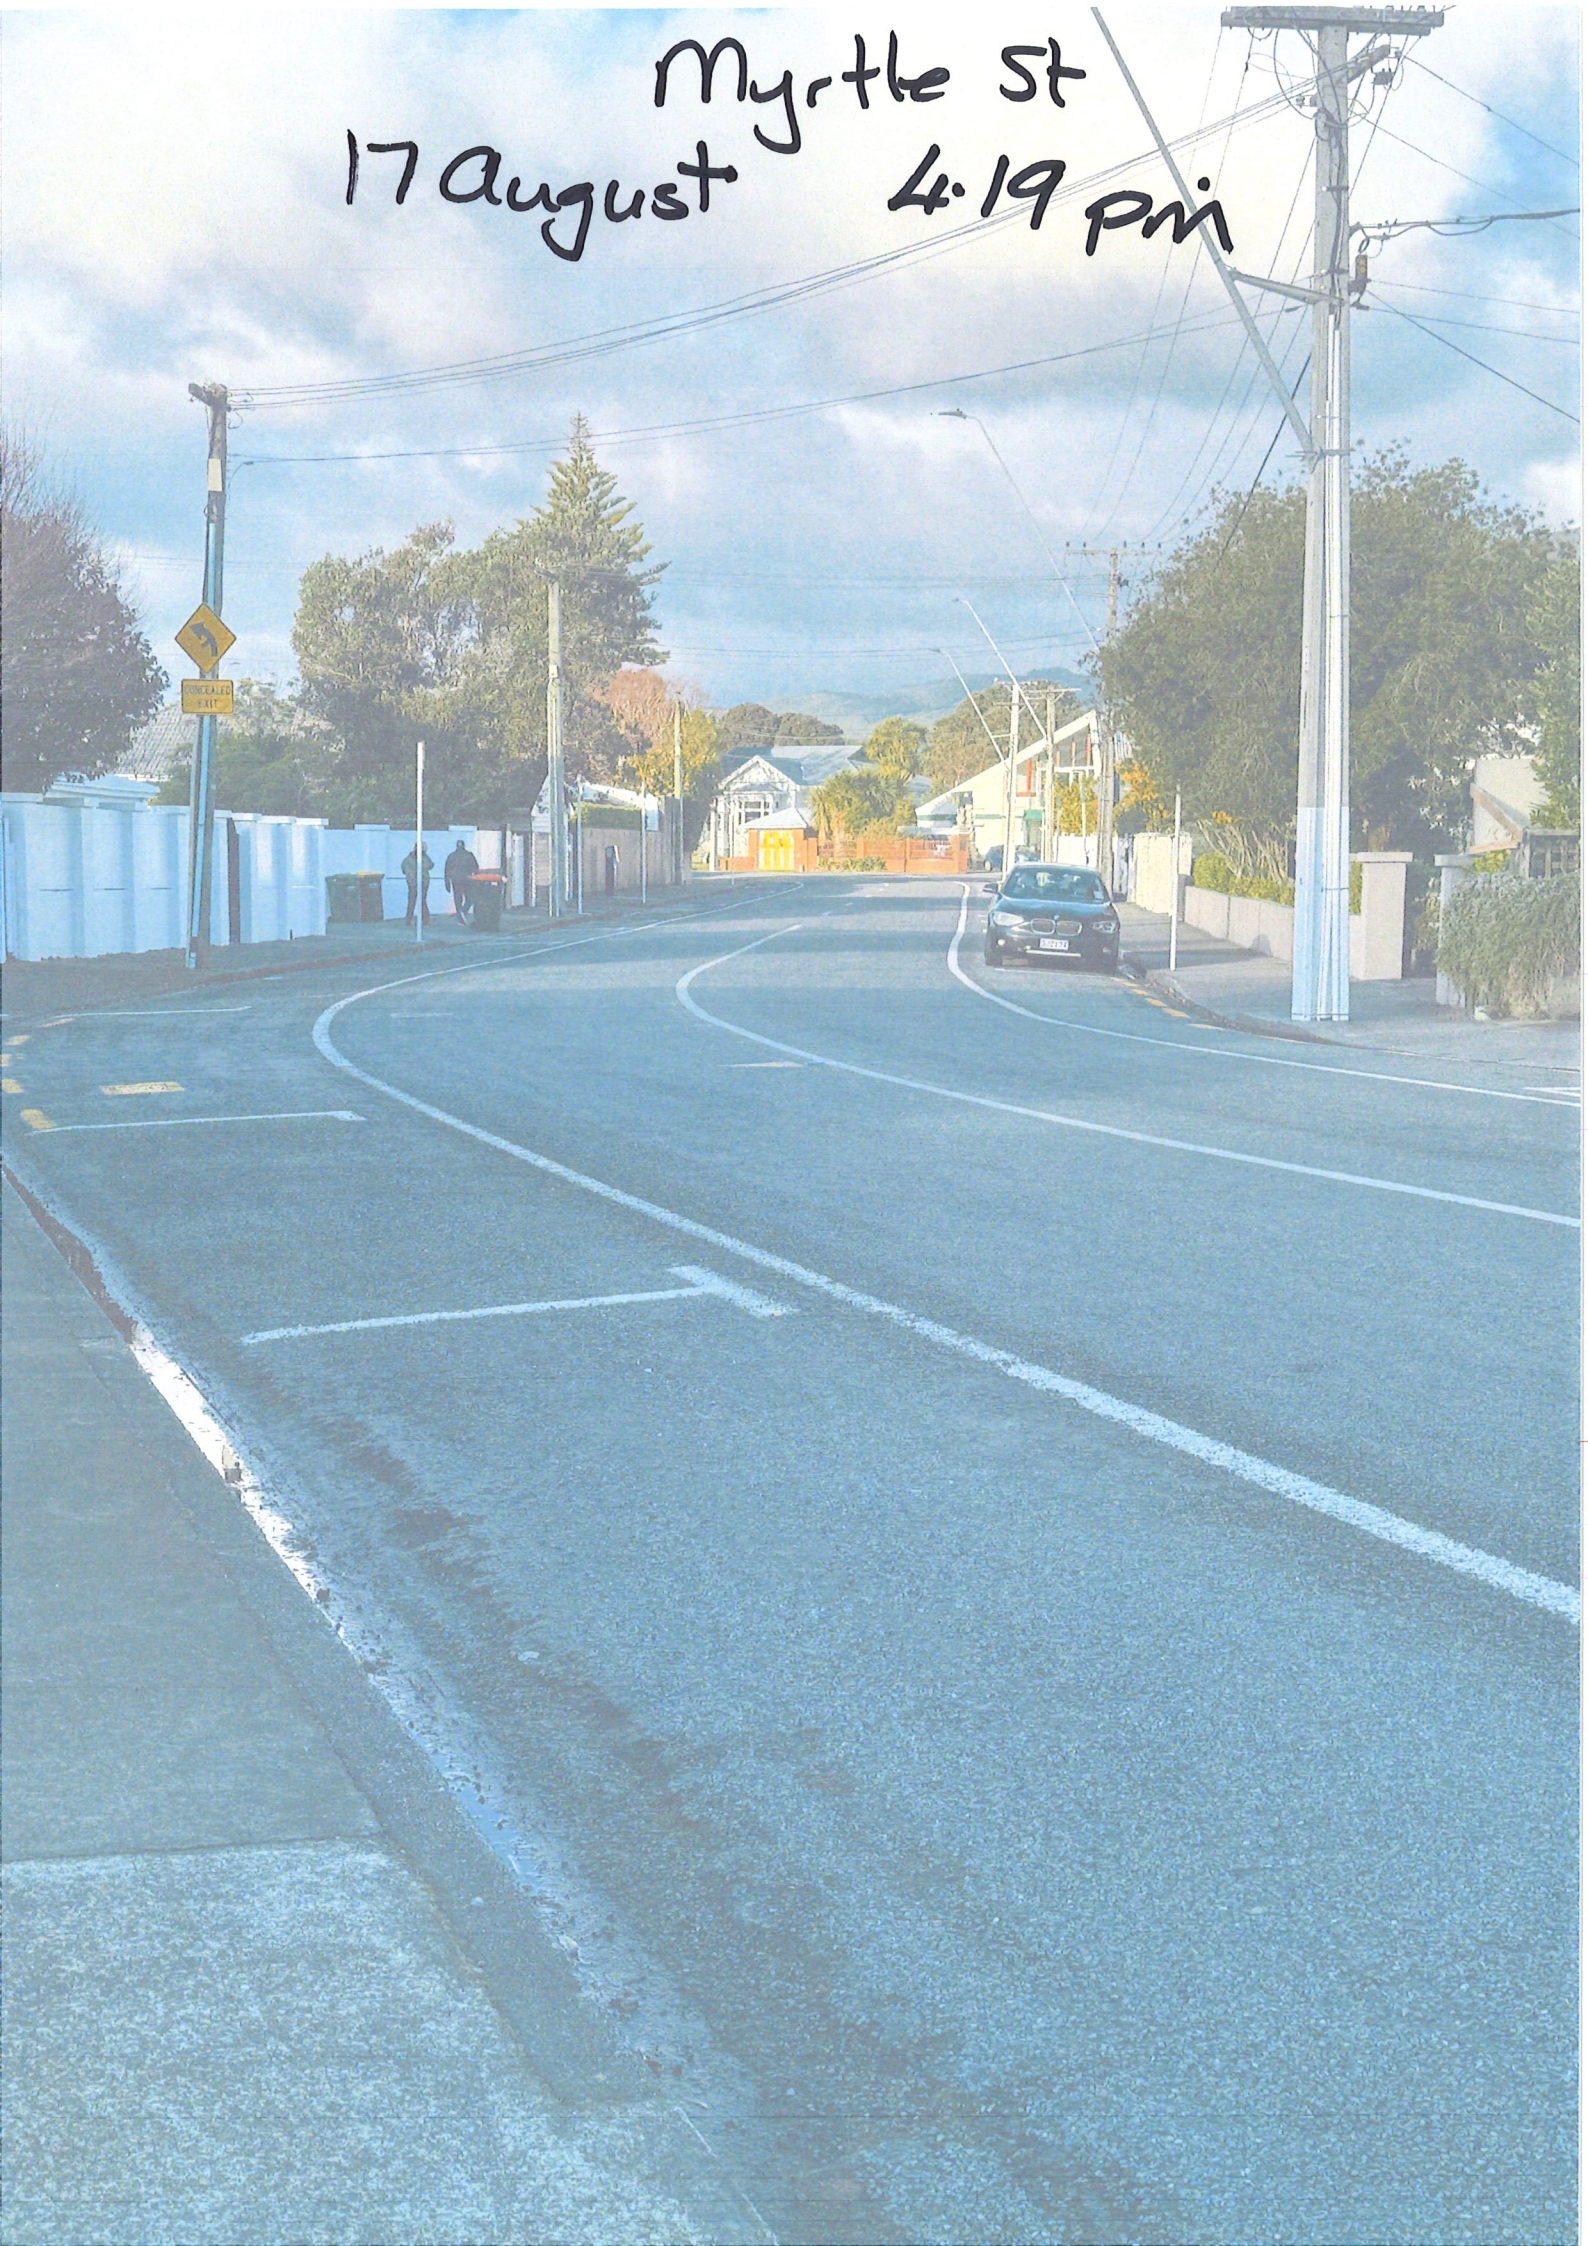

- Pause implementation of the proposed parking meters.
- Conduct genuine consultation with affected residents and local businesses.
- Review the proposed operating days and hours, particularly the inclusion of Sundays.
- Consider alternative parking management measures that do not impose unnecessary costs on residents and visitors.

Yours sincerely

Sally Selwood
