To Petone

Community

Board, June 2023

83: Eastbourne-CBD-Petone-Welly

Reliable?

98% in May, up from low of 81% in Dec.
#81 and #84 similar. NZ Bus doing well.

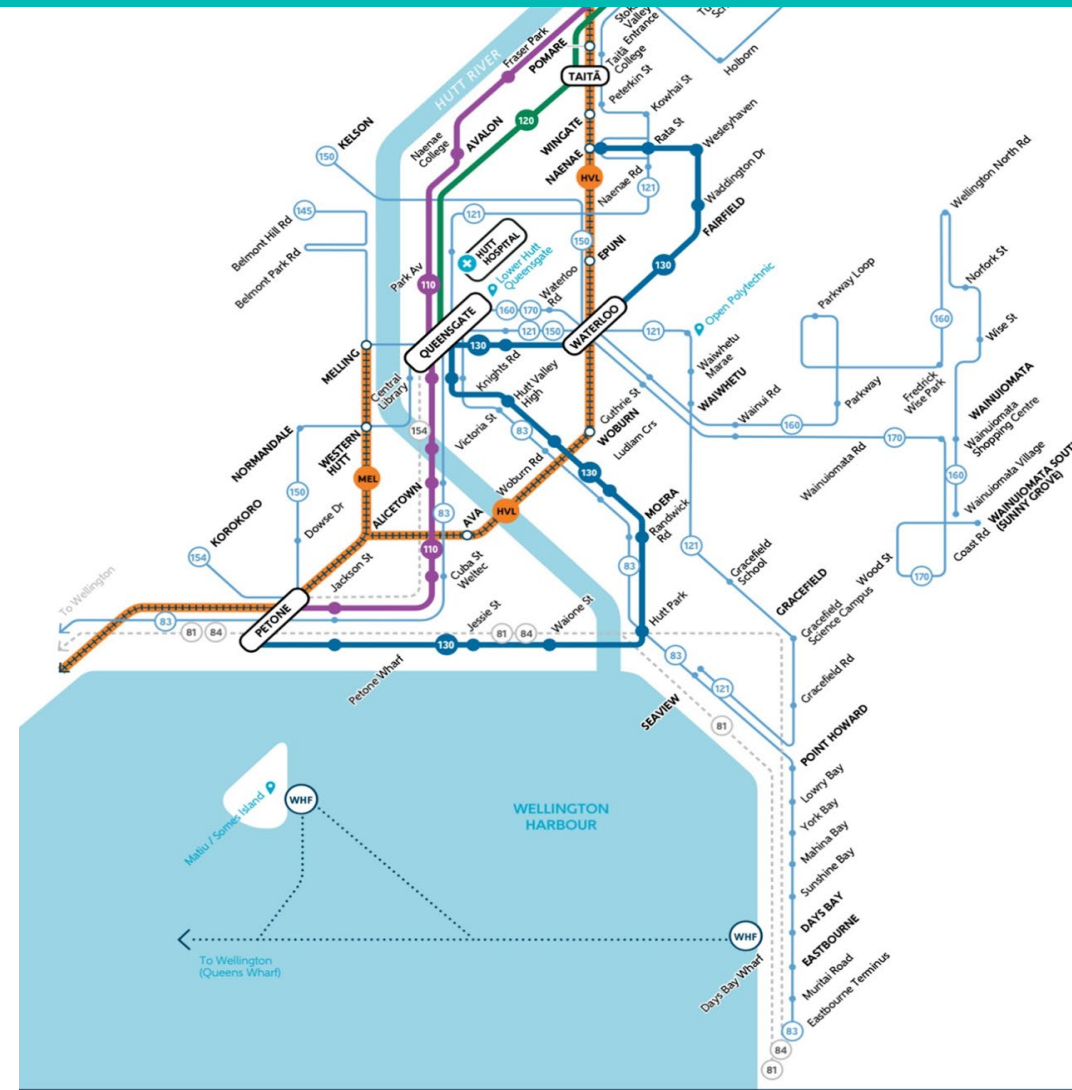

Punctual?

97% in May, consistent.

Patronage?

68,000 in May, 20% up on 2022

Most used all-day service in Lower Hutt with average 33 boardings per run.

130: Naenae to Petone

Reliable?

94% in May, poor this year, improving.

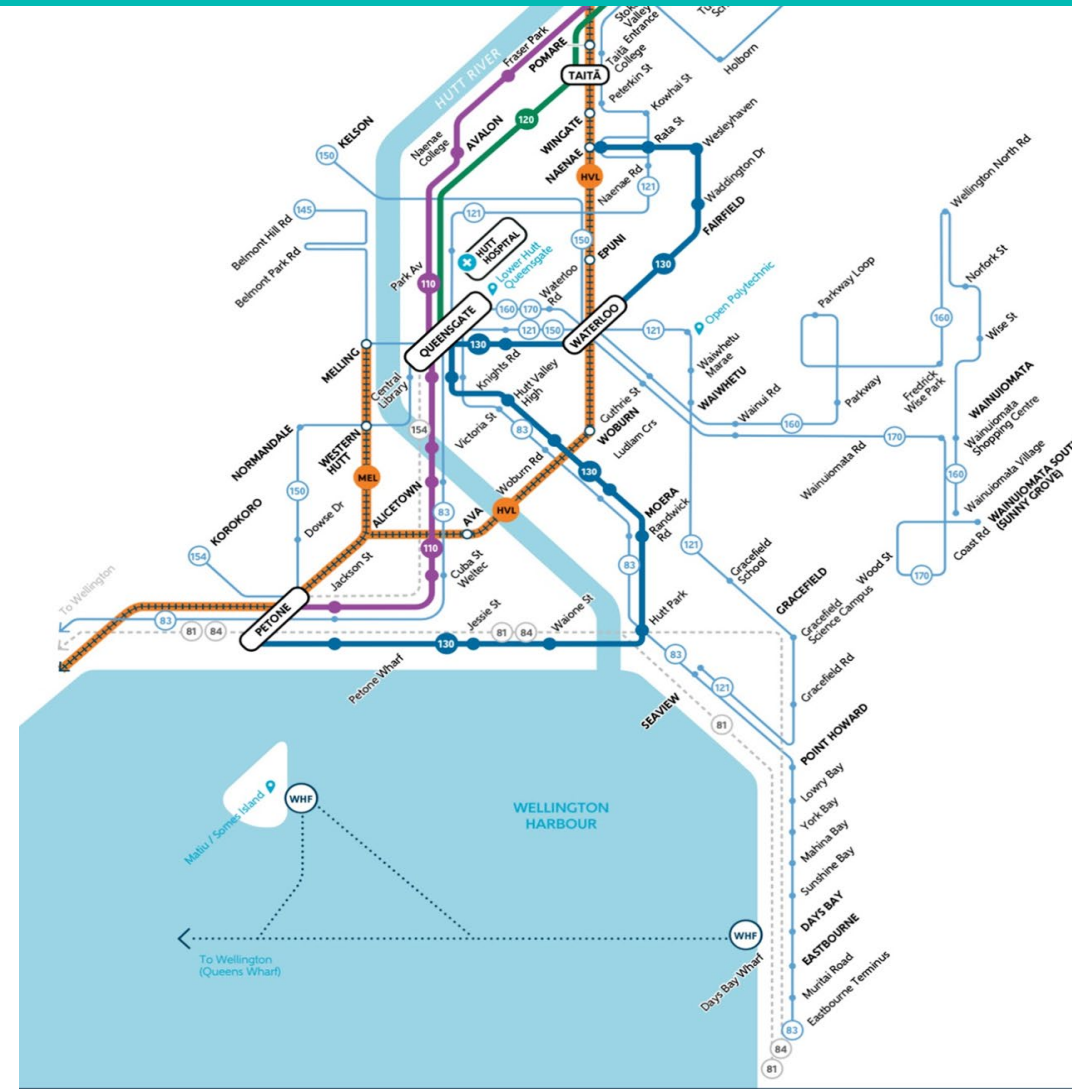

Punctual?

93%, consistently poor.

130 and 110 similar to network averages.

Patronage up 20% on last year.

Tranzurban still recruiting and training, new drivers coming.

Hutt Valley Line

Reliable?

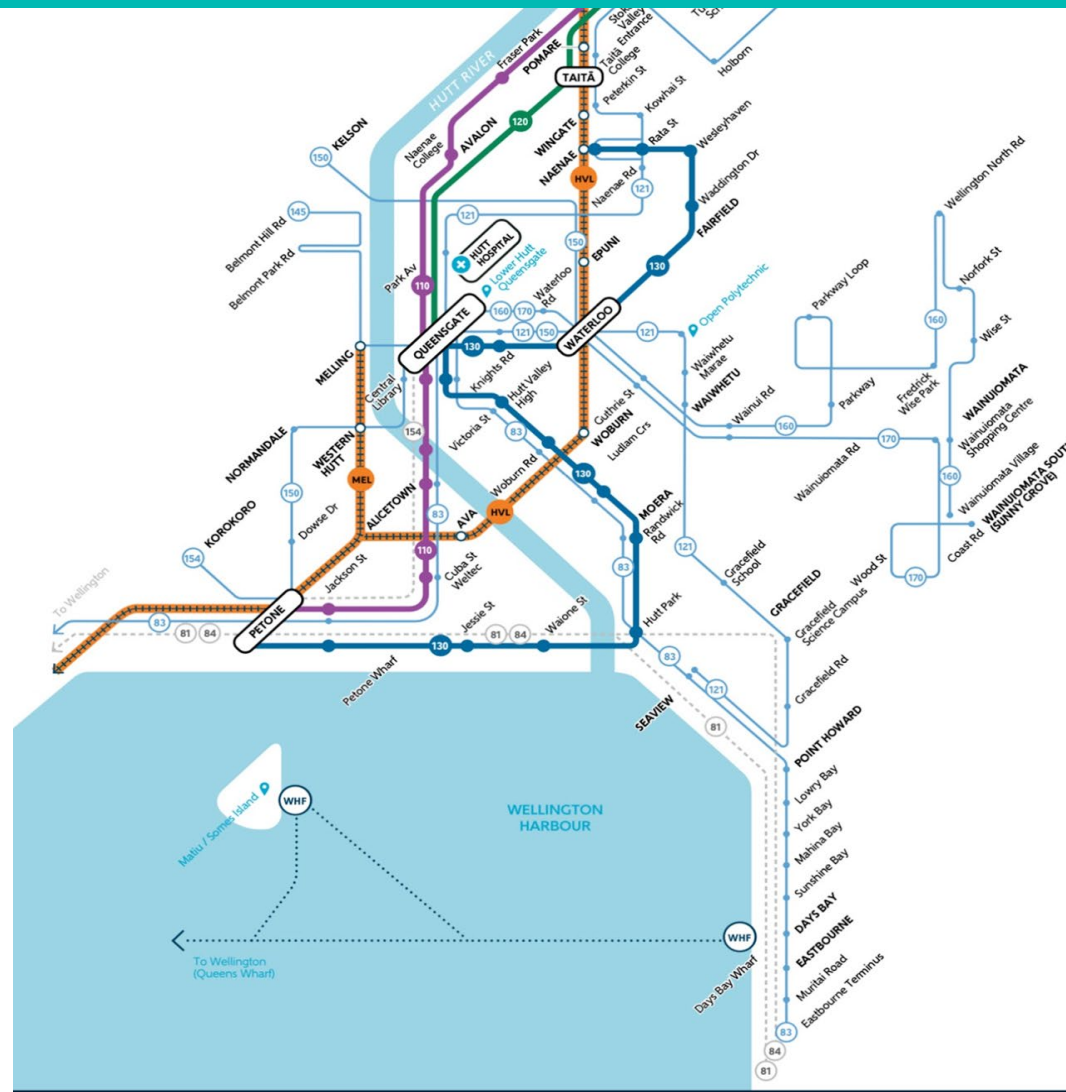

April 98%, up from 84% in Jan
Sickness waves still impact

Punctual?

April 87%, still struggling due to works.

Loved?

Boardings close to pre-COVID levels
