

# Wellington Region Emergency Management Office

How do we respond as a community?

James North

# Who is WREMO?

A place for our community to gather and help each other during an emergency.

## AFTER A DISASTER SOLVE PROBLEMS CLOSE TO HOME FIRST

Needs, offers and information

Check on your household

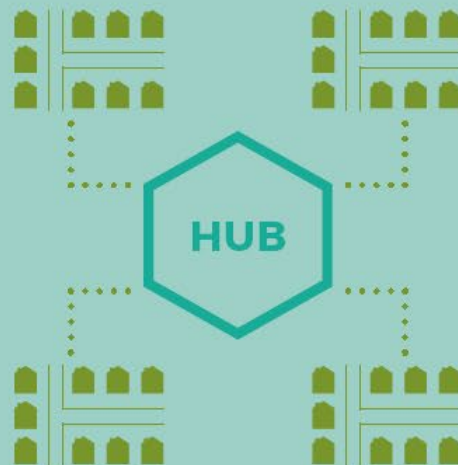

Check on your neighbours

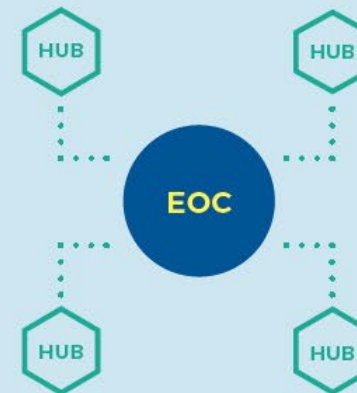

Check on your street

Needs, offers and information

## THEN GO TO YOUR LOCAL COMMUNITY EMERGENCY HUB

## YOUR LOCAL EMERGENCY OPERATIONS CENTRE WILL SUPPORT YOUR ACTIVITIES...

Support and information

Support and information

# Community Emergency Hub Kit

# Community Resources

PUBLISHED MAY 2017

## Seatoun Community Emergency Hub Guide

This Hub is a place for the community to coordinate your efforts to help each other during and after a disaster.

### Objectives of the Community Emergency Hub are to:

- › Provide information so that your community knows how to help each other and stay safe.
- › Understand what is happening.
- › Solve problems using what your community has available.
- › Provide a safe gathering place for members of the community to support one another.

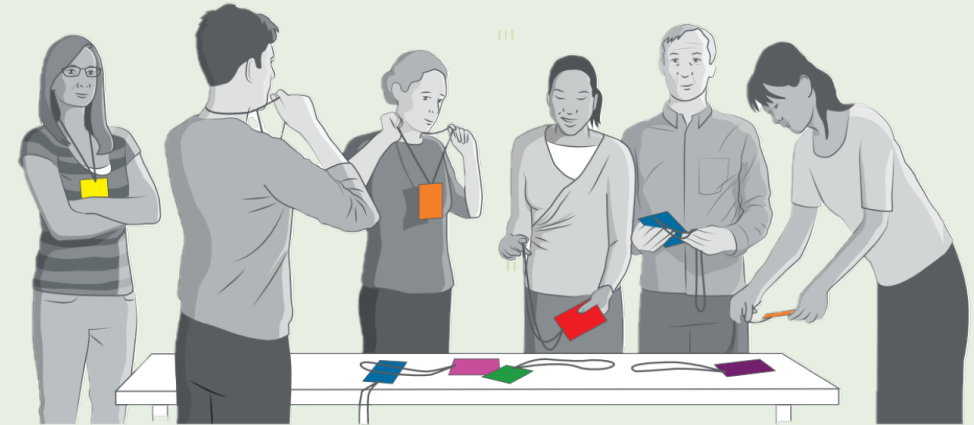

# 5

# What could happen at the Hub?

- Information gathering and sharing
- Working through problems together
- Provide a safe gathering place
