**Regional Councillor
update**

***Wainuiomata Com
Board, Feb 2024***

Public transport

- Bus reliability and patronage very good
- Rail infrastructure implications
- Wainuiomata bus improvements package
- Regional Public Transport Plan review
- Smaller improvements update
- Ideas for promoting patronage?

Environmental Health and Water Supply

- Wainuiomata nursery
- Wainuiomata Forest walks
- Oruapouanui lighthouse keepers accommodation, and fire risk
- Swimming hazard on south coast
- Water health plan open for further submissions
- Waiwhetū Stream walk-over (by bus) Wed 13 March

Long Term Plan - boring but important

- Difficult times
- Trim where can without lowering service
- Prioritise climate resilience and environment protection
- Prepare to build new storage lake
- Retain existing services but delay electrification, bus growth and PT On-Demand
- Raise public transport fares 10% and rates 20%
- All open to feedback.
