Dear Rachel

**Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987**

We refer to your official information request dated 09 February 2025 for:

*“...information regarding the “automatic reversal provisions” of the Land Transport Rule: Setting of Speed Limits 2024.*

*Specifically, I would like to know which local roads within your jurisdiction are affected by these automatic reversal provisions. This information is of interest to me in understanding how speed limits may be adjusted or impacted by this rule within your area.*

*To clarify, I am seeking a list of roads or routes that have been impacted, including details of any changes to speed limits, if applicable. If there are no roads currently affected by these provisions, I would appreciate confirmation of that as well...”*

**Answer:**

Please see the attached documents about the setting of speed limits Rule and list of roads affected.

Further, the transport team will be updating the Council’s website with a map of these proposed changes. This will happen as the team progresses the project in the next couple of months.
