Tēnā koe Tom,

Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987

We refer to your official information request dated 17 January 2026, seeking information on audited parking revenue and infringement totals for Jackson Street. Specifically, you requested:

“JSP would like to know the audited parking revenue from 1 October 2024 to 30 September 2025:

- a. parking fees from meters*
- b. parking fines for over time*
- c. parking fines for not paying*
- d. monthly breakdown”.*

By way of background, we note that you first raised this request in a letter delivered to Council on 6 November 2025, followed by a meeting with the Chief Executive, Jo Miller, on 12 November 2025. You were later contacted on 20 January 2026 to explain that Council had not received a copy of the request through our LGOIMA channels, and that the request was able to be logged and progressed once it was resent to the information requests inbox on 17 January 2026.

Again, we apologise for any inconvenience this has caused. I can reassure you that we have taken steps to clarify our internal channels for receiving information requests, so this does not happen again.

Answer:

In response to your request, the monthly parking revenue and infringement totals for Jackson Street are set out in **Table 1** below.

When considering these figures, please note that the figures for meter revenue reflect payments made at the physical parking meters located on Jackson Street only. PayMyPark transactions are not included, as PayMyPark does not record location information at a street specific level. Instead, these transactions are allocated to broader parking areas (for example: HC2), which means they cannot be reliably attributed to Jackson Street. For clarity, overstay fines refer to infringement notices issued when a vehicle remains parked beyond the time paid for or the maximum time allowed, while non-payment fines reflect infringement notices issued when no payment was made for parking.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at: [Office of the Ombudsman - Complaints](#), or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website: [Proactive releases - Hutt City Council](#).
