Subject: [EXTERNAL] Population Projects

Kia ora,

We are currently working on property challenges within our school and would like to ask for Hutt City Council's most recent population projections to 2051 for Lower Hutt at SA2-level. We are keen to understand population growth projections for our school zone as well as projections for household growth.

Is it possible to have this information sent through in the next couple of days?

I greatly appreciate your urgent response and help with this.

Ngā mihi nui

Bryan Trevean
Principal / Tumuaki

Belmont School
