Hi Susan,

Thanks for your reply.

I use that website for some of my core data, however it does not tell me the financial costs actually attributed in financial statements by each Council.

Could you please forward my request to your Financial Team so they can give me actual total figures?

Many thanks,

David

The information you have requested is established in legislation – see the document linked below:

Subject: [EXTERNAL] Elected Council Members Remuneration

Hi,

I'm doing some research on the reasoning behind current levels of public interest in Local Council Elections.

Can you please advise the total remuneration (salary, expenses, allowances et al) of all Elected Council Members for FY22? Just a total number will be great. I'm not interested in individual numbers.

Many thanks,

David
