Tēnā koe Damian,

**Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987**

We refer to your official information request dated 7 April 2026, seeking information about Hutt City Council's current organisational structure. Specifically, you requested:

*Any existing material that shows Hutt City Council's current organisational structure and reporting lines, including the Chief Executive's direct reports, the layer below that, and the business units or functions sitting under each area. This includes any existing org charts or similar documents, in whatever form they currently exist.*

**Answer:**

Please find attached a copy of Council's organisation chart.

The organisation chart shows the current high-level structure of the organisation, including the Chief Executive's direct reports, the next layer of management, and how business units and functions are arranged within each area.

Please note, the chart is manually maintained and reflects Council's structure at the time it was last updated. As with all operational documents of this nature, it may not capture recent or minor changes that occur as part of day-to-day workforce management.

Names of staff below the senior leadership level have been redacted under section 7(2)(a) of the LGOIMA to protect the privacy of individual employees. Council has considered whether the public interest in release of the withheld information outweighs the need to withhold it and has concluded that it does not.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at: [Office of the Ombudsman - Complaints](#), or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website: [Proactive releases - Hutt City Council](#).

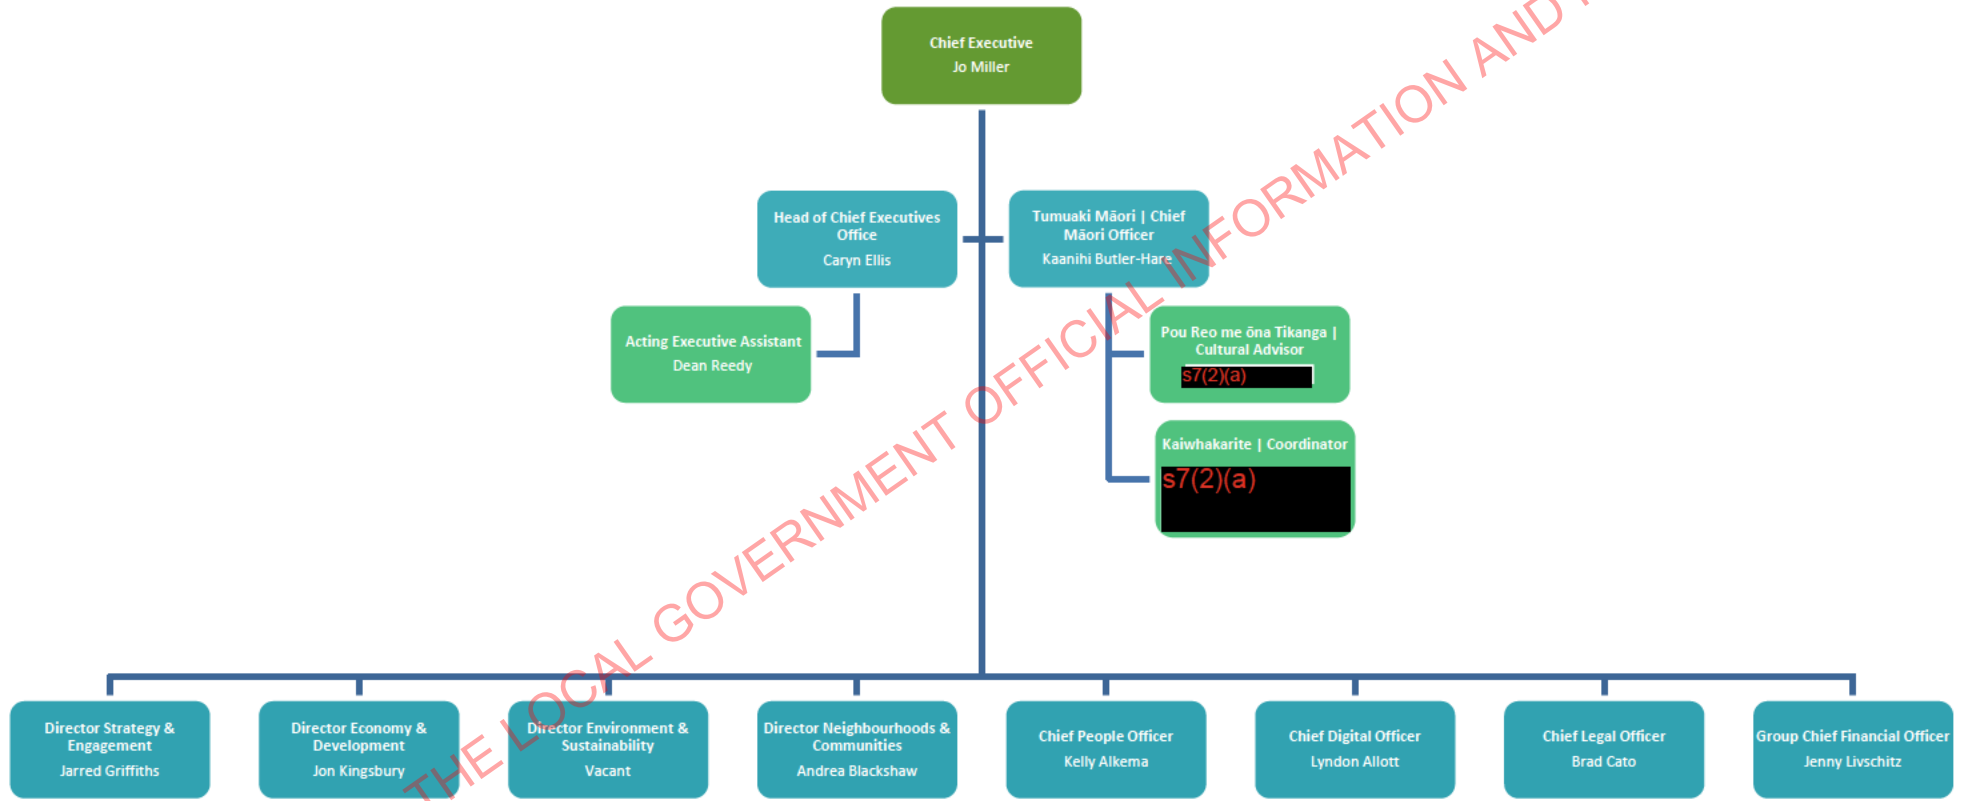

Ngā mihi nui
