Tēnā koe Tim Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987

We refer to your official information request dated 1 May 2022 for the following information:

- The amount of infringement notices for all stationary vehicle offences, both the fine dollar amount total as well as the total amounts, broken down into each stationary vehicle offence.
- The amount of infringement notices for all stationary vehicle offences that occurred in an off-road parking facility, both the fine dollar amount total as well as the total amounts, broken down into each stationary vehicle offence.
- I request this information, per year, for the last 5 years.

A summary of infringement notices for stationary vehicle offences is provided from January 2017 to April 2022.

We have provided you with a listing of offences that triggered infringement notices for January 2017 to April 2022, however we are unable to provide details of the number of infringement notices issued in each category, or whether it incurred on-street or off-street, without substantial collation. Accordingly your request for this detail is refused under Section 17(f) of the LGOIMA, on the grounds that the information requested cannot be made available without substantial collation or research.

We also advise that these records do not include infringements incurred in parking buildings. Hutt City Council does not hold records of infringements issued in parking buildings because these are not our facilities.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602. Please note that this letter may be published on the Council's website.
