Tēnā koe Daisy,

Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987

We refer to your official information request originally received by Greater Wellington Regional Council on 1 April 2026, which was transferred to Council on 9 April 2026 under section 12 of the LGOIMA. Specifically, you requested:

“...any information on how much it cost for your council to implement speed limit changes as a result of the new Land Transport Rule: Setting of Speed Limits 2024.”

Answer:

Council is unable to provide specific pricing or cost information relating to the implementation of speed limit changes, as this information reflects commercially sensitive supplier pricing.

For completeness, Council notes that it has budgeted funding to implement speed limit changes required under the Land Transport Rule: Setting of Speed Limits 2024. As set out on page 49 of Council’s 2025–26 Annual Plan, Council has budgeted \$352,000 in total for this programme, comprising \$252,000 in the 2025–26 financial year and \$100,000 in the 2026–27 financial year.

You can find more information, including a copy of the 2025–26 Annual Plan on Council’s website at: [Annual Plans and Long Term Plans | Hutt City Council](#).

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at: [Office of the Ombudsman - Complaints](#), or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website: [Proactive releases - Hutt City Council](#).
