**Request for Information pursuant to the Local Government Official Information and Meetings Act 1987 (LGOIMA)**

Thank you for your official information request of 10 February 2023.

Hutt City Council's Parking Services team has advised that there are 4 parking machines in that area of Knights Road, Lower Hutt. On 13 February, a fault was logged for one of these machines because the enter/arrow button of the machine was not working. The transaction history indicated that this same machine had been declining cards but no notifications were received about this fault between 1 January 2023 and 10 February 2023. A technician was scheduled to investigate these issues on 13 February. The other 3 machines in the vicinity are functioning well.

We advise that 59 tickets were issued on that section of Knights Road between 1 January 2023 and 10 February 2023.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Please note that this letter of response may be published on the Council's website.

Ngā mihi
