Good afternoon s7(2)(a)

Thank you for your request of 20 January 2022, seeking information about communications relating to pausing, delaying or terminating work on new or existing water infrastructure projects due to the Three Waters Reform Programme.

There are no plans to delay, pause or terminate Three Water projects due to the reform programme, and therefore no such communications exist.

Accordingly, your request for this information is refused under section 17(e) of the LGOIMA, on the grounds that the information does not exist.

Ngā mihi
