Subject: Information Request - CCTV cameras

Tēnā koe Madison

Request for Information pursuant to the Local Government Official Information and Meetings Act 1987 (LGOIMA)

Thank you for your correspondence of 15 February 2023 in which you have requested information about Hutt City Council's CCTV cameras.

We have interpreted your request as applying to community safety cameras used for surveillance of public places around our city. Their locations are indicated on the following link:

<https://maps.huttcity.govt.nz/portal/apps/webappviewer/index.html?id=7b8e62eba77641cdb7cce4d345d4d326>

The brand used by Hutt City Council is Pelco.

We do not use Automatic Number Plate Recognition technology in our CCTV cameras.

Hutt City Council also operates two CCTV cameras in remote reserve land. Information about these two cameras has been considered to be out of scope of your request, so is not included in the above response. We have also assumed that security cameras installed to protect the council's assets (museums, libraries etc), rather than being community-focused, are out of scope of your request. Please do let us know if you want further information about these CCTV facilities.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that this letter may be published on the Council's website.

Nāku noa, nā

Subject: [EXTERNAL] Information Request

Dear Hutt City Council,

I am writing to request the following information:

1. A list of all CCTV cameras owned OR operated by the Hutt City Council, or any Council Controlled Organisations (CCOs), including the locations of the cameras.
2. Identify from the list what CCTV cameras are used for Automatic Number Plate Recognition (ANPR) within the area.
3. Identify the brand and type of camera at each location (e.g. Hikvision, Panasonic etc).

Please provide an Excel spreadsheet for the above questions containing at minimum, the camera location and camera brand.

Kindest,
Madison Chamberlain
