

12 August 2026

Dr Damien Puddle

s7(2)(a)

Tēnā koe Damien,

Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987

We refer to your official information request dated **15 July 2026**, seeking information about Council-managed playground assets and playground surfacing areas.

Specifically, you requested:

- *The total number of playgrounds managed by Council, excluding pump tracks, skate parks, BMX facilities, scooter tracks, fitness stations, and similar non-playground assets; and*
- *The total area (m²) of playground surfacing aggregated by surface type, including:*
 - *Wet-pour rubber;*
 - *Rubber tiles;*
 - *Artificial turf;*
 - *Wood chip/bark;*
 - *Pea gravel;*
 - *Sand; and*
 - *Other surfacing types (specified where applicable).*

You noted that estimates are acceptable where exact measurements are not available and that data may be provided in any convenient format.

Answer:

The Total number of playgrounds managed by Council is 59.

The total area (m²) of playground surfacing aggregated by surface type, is not available. The attached table details all 59 playgrounds and the surface type.

Council has considered whether the public interest in release of the withheld information outweighs the need to withhold it and has concluded that it does not.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at: [Office of the Ombudsman - Complaints](#), or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website: [Proactive releases - Hutt City Council](#).

Ngā mihi nui
