Dear Belinda Broughton

Request for Information – Local Government Official Information and Meetings Act (the Act) 1987

We refer to your email and letter dated 11 September 2024 asking for Information about Road Signage.

Response:

HCC has no gantry signs above any of our roads.

There are some larger advanced warning signs. Most of these are historic. HCC does not have any foundation designs for these signs. In replacing any existing signs (or new) the contractor must install them to the current standards.

Anti-social vehicles followed by wind tend to be the largest cause of issues for signs.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website. Please refer to the following link: www.huttcity.govt.nz/council/contactus/make-an-official-information-act-request/proactive-releases

Yours sincerely
