Phil Southwood

Dear Phil Southwood

**Request for Information – Local Government Official Information and Meetings Act (the Act) 1987**

We refer to two official information requests you have made dated 24 January 2024 for:

*All public rights of access to pedestrian footpaths on Sydney Street Petone*

*All Bylaws relating to the pedestrianised areas of Sydney Street Petone*

*Public information of parking tickets allocated on Sydney Street Petone*

*All applicable consent to private parking allocation to commercial real estate on Sydney Street Petone.*

*Any official standpoint of Hutt City Council off appropriate blockages to pedestrian highways and plans on how to mitigate them.*

**Answer:**

We will answer each of your questions in turn.

*All public rights of access to pedestrian footpaths on Sydney Street Petone*

Please find attached a document with this information.

*All Bylaws relating to the pedestrianised areas of Sydney Street Petone*

The two relevant Bylaws here are:

The Hutt City Council Traffic Bylaw 2017

[c02b885e9762a04f2a8e06cc9844512858 \(hccpublicdocs.azurewebsites.net\)](https://hccpublicdocs.azurewebsites.net/c02b885e9762a04f2a8e06cc9844512858)

The Public Places Bylaw 2016

[aa426bf4962d954a40947a3a43c476ead7 \(hccpublicdocs.azurewebsites.net\)](https://hccpublicdocs.azurewebsites.net/aa426bf4962d954a40947a3a43c476ead7)

*Public information of parking tickets allocated on Sydney Street Petone*

Parking Services issued 838 infringement notices on Sydney Street, Petone from 01/01/2021 – 15/02/2024.

*All applicable consent to private parking allocation to commercial real estate on Sydney Street Petone.*

The council holds no information hold related to encroachment licences (consent to private parking allocation) granted along Sydney Street. Therefore, we are refusing this part of your request under section 17(e) of the Act, as the information requested does not exist.

*Any official standpoint of Hutt City Council off appropriate blockages to pedestrian highways and plans on how to mitigate them.*

When these issues occur, Council engineers can visit a location and review how they can improve pedestrian access. This may include but not limited to painting a designated walkway.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website. Please refer to the following link:
