

20 January 2026

Benjamin Crozier

s7(2)(a)

Tēnā koe Benjamin,

Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987

We refer to your official information request dated 4 December 2025, seeking information on Council's annual spend with Spark NZ, One NZ/Vodafone NZ, 2degrees, and Datacom. Specifically, you requested:

- 1) *The amount spent on mobile services to each of Spark NZ, One NZ/Vodafone NZ, and 2degrees.*
- 2) *The amount spent on other technology products/services to each of Spark NZ, One NZ/Vodafone NZ, 2degrees, and Datacom.*

Both preferably on an annual basis for the last ten years (or however long you have the data for). If the split between mobile and other tech spend is not available, then an aggregate spend for each of the three telcos would work as well.

Answer:

We have collated the information available from our financial records. Please refer to **Table 1** below, which summarises Council's annual expenditure with Spark, One NZ/Vodafone, 2degrees, and Datacom. When considering the data in this table, please note:

- The data is presented by financial year (1 July – 30 June) for the period 2015/16 to 2025/26 (current year to date).
- We were unable to split the spend into mobile services versus other technology services for Spark NZ and Datacom, as this level of detail is not recorded in our invoices.
- For Vodafone/One NZ and 2degrees, the spend relates to mobile and landline services only.
- Individual invoice descriptions are not included, as these are held within purchase orders.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at: [Office of the Ombudsman - Complaints](#), or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website: [Proactive releases - Hutt City Council](#).

Ngā mihi nui

Rebekah van der Splinter
