Dear Nick Jacques

Request for Information – Local Government Official Information and Meetings Act (the Act) 1987

We refer to your email dated 28 June 2024 for:

As part of your 10 year plan you put forward the proposal to increase parking to \$3/hour and for that rate to be payable seven days a week. This is an increase of \$1/hour and the removal of free parking on weekends.

I'd like to request any documentation that went into this policy change, and specifically I want to see all public feedback from the 10 year plan consultation period relating to the parking price increase. Further to that, I want to see any documentation which includes how this feedback was addressed and handled by the council.
