s7(2)(a)

Tēnā koe Ella,

Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987

We refer to your official information request dated 28 January 2026, seeking information on Council's art collection and related expenditure. Specifically, you requested:

This is a request for official information under the Local Government Official Information and Meetings Act 1987 regarding your council's portfolio of art. We request the following information:

- 1) *A full breakdown of your art collection, including, but not limited to:*
 - a. *The total number of artworks and for each the:*
 - b. *Known or estimated value.*
 - c. *Status of display (publicly or privately).*
 - d. *Year of acquisition.*

- 2) *The number of roles that involve working with your art collection, including:*
 - a. *Their job title or role.*
 - b. *Their annual salary or salary band.*

- 3) *How much is allocated in your yearly budget to be spent on art, (not including Creative NZ funding) broken down by:*

- a. *Upkeep or acquisitions of new artwork.*
- b. *The last time this amount was reviewed.*

Where possible, we ask that cost figures be broken down and inclusive of GST and responses in PDF formats.

Answer:

In response to your questions about the art collection, the total number of works currently held is 3,461. This includes both donated works and works purchased for the collection and reflects only artworks held in the Dowse Art Museum's collection. It does not include public art such as sculptures, murals, or other artworks located in public spaces or Council facilities. A full list of these works, including accession number, artist, title and date, is attached as **Document 1**. The total fair value of the collection is \$17,312,310, based on a valuation undertaken by Aon effective 15 May 2024. Loan works are not included in the list or the valuation. New works acquired in 2024/25 are included in the attached list but excluded from the valuation, as they have not yet been revalued. The first part of each accession number indicates the year in which the work was acquired.

We have interpreted part 1(c) of your request about the "status of display (publicly or privately)", to be asking whether each artwork in Council's collection is currently on public display or held in storage. The number of works on display changes throughout the year depending on exhibition programming and works on loan to other institutions. At the time of your request, 123 artworks were on public display either at The Dowse Art Museum or on loan to other galleries around Aotearoa. While the physical location of each artwork is recorded for collection management purposes, Council does not maintain this information in a reportable form that shows, for every individual artwork, whether it is on display or in storage. As this information is not held in the form you have requested, this part of your request is refused under section 17(g) of the LGOIMA.

Regarding individual artwork valuations, these are withheld under section 7(2)(b)(ii) of the LGOIMA. Disclosing specific values would be likely to unreasonably prejudice Council's commercial position when negotiating future acquisitions and may also increase security risks for the collection.

In response to your questions about staffing, Council has one position that is responsible for managing the collection. The job description for this role is attached as **Document 2**. Salary information for this position is withheld in full under section 7(2)(a) of the LGOIMA to protect the privacy of the individual concerned.

Turning to your budget questions, the Collections Operational Budget for 2025/26 is \$30,036. This covers all costs related to the care, documentation and movement of the collection. The Art Acquisition Budget for 2025/26 is \$55,620 and does not include contributions from other organisations. These budgets are reviewed annually and adjusted for CPI as part of Council's overall financial planning processes.

Council has considered whether the public interest in releasing the withheld information outweighs the need to withhold it and has concluded that it does not.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at: [Office of the Ombudsman - Complaints](#), or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website: [Proactive releases - Hutt City Council](#).

Ngā mihi nui

RELEASED UNDER THE LOCAL GOVERNMENT OFFICIAL INFORMATION AND MEETINGS ACT 1987

JOB DESCRIPTION

COLLECTIONS MANAGER

Division	Museums
Group	Community Services
Reports to	Exhibitions and Projects Manager
Location	The Dowse Art Museum / Petone Settlers Museum
Key relationships	Internal: Exhibitions and Projects Manager; Exhibitions Registrar; Curators; Learning Programmes Manager; Exhibition Preparators External: Professional museum peers; lenders and borrowers; artists, dealers and donors
Date	

At Hutt City Council we are committed to making a difference to people in Hutt City through what we do and how we do it. We want to deliver a better city every day by understanding our communities' values, building strong partnerships, and delivering fresh solutions.

Every day, we provide services, facilities and programmes to Hutt City's 100,000 residents and many thousands more people who visit or work here.

It's truly rewarding to know that whatever our role, we can make a genuine difference to the community.

In everything we do, we demonstrate our values of responsibility, integrity, together and excellence. Our leaders paint the big picture, inspire and drive results.

RELEASED UNDER THE OFFICIAL INFORMATION AND MEETINGS ACT 1987

ROLE PURPOSE

The purpose of this position is to ensure The Dowse and Petone Settlers Museum collections are housed and managed in a professional and future-focused way.

The position also contributes to the project management of assigned projects.

RESPONSIBILITIES

Lead collection management services for the Museums	<p>Manage the safety and security of collection stores at The Dowse and Britannia Street</p> <p>Ensure the safe storage of objects to museum standards, including regular inventory of collections</p> <p>Monitor environmental conditions (display and collection stores)</p> <p>Manage conservation needs for collection items and practice preventive conservation</p> <p>Answer collection enquiries in a timely manner</p> <p>Manage loans to other institutions</p> <p>Manage collection valuations, insurance and any reporting required (e.g. to satisfy long term loan agreements)</p>
Policy and planning	<p>Contribute to developing and managing collections policies and standards within Hutt City Museums</p>
Collection documentation	<p>Ensure objects are catalogued, imaged and appropriate records kept in Vernon CMS and physical forms as required</p> <p>Oversee volunteers working on collection documentation</p> <p>Contribute to collection digitisation projects</p> <p>Manage relationship with collection management system vendor</p> <p>Manage copyright clearances for collection items</p> <p>Database administration as required</p>
Acquisitions management	<p>Organise and document regular acquisitions meetings</p> <p>Provide collections advice on acquisitions, gifts and long-term loans</p> <p>Ensure acquisitions, gift and long-term loan documentation is fully and promptly completed</p> <p>Organise the collection and freight of new items</p>
Reputation management	<p>Professional standards are met through own work and overseeing the work of others</p> <p>Museums' collective knowledge of best practice remains up to date through ongoing training and research</p> <p>Professional networks are maintained</p>
