Morena Nik

Thank you for your information request of 16 March 2023, asking for copies of original drawings of Petone Wharf.

The original drawings are from archives of the Wellington Harbour Board. We believe these were held by Wellington Museum and possibly still are.

Some old drawings of the Wharf appear in the Calibre and Studio of Pacific documents on the Hutt City Council website, under projects, Petone Wharf Rebuild. They might assist the Society. See: www.huttcity.govt.nz/council/our-projects/petone-wharf

Also, there have been a number of reports about Petone Wharf presented to elected members from around 2017 or thereabouts. Some of these will be useful to the Society. They will be available on the HCC website and papers can be searched by subject. See: <http://infocouncil.huttcity.govt.nz/>

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that this letter may be published on the Council's website.

Regards, Susan

Kia ora

I am contacting you on behalf of the Petone Historical Society, who wish to make a submission on the HCC Annual Plan during April in relation to the Petone Wharf.

We are seeking copies of any original drawings for the 1908 built Petone Wharf and any related relevant material that may assist us in our submission.

We look forward to knowing what is available at your earliest convenience.

Thank you in advance.
