In response to your request below, there was no direct cost to Hutt City Council for the blessing of the Skatepark as this is part of the wider Riverlink Project.

Subject: [EXTERNAL] New skate park

Nice to have a skateboard park, but what does it cost the rate payer for all this blessing and Karakia, as I know it cost Wellington about \$5000 plus to have this, and it it really relevant, with all the rate rises at the moment. If it cost nothing I'm ok, if it's cost a lot, we'll I could understand opening a Marae or something but a skate park, where is the cultural significance.

Now I'm asking because my rates have gone up \$700 a year.
Where can I find the actual cost for this.
