R Beulah

s7(2)(a)

Tēnā koe,

Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987

We refer to your official information request dated 23 August 2026, seeking historical dog-control intervention outcomes request. Specifically, you requested:

Information relating to anonymised samples of dogs classified as dangerous or menacing during 2010–2015, including dog characteristics, reasons for classification, subsequent incidents and outcomes, regulatory interventions, compliance and enforcement history, and longitudinal follow-up information, together with advice on what data can reasonably be provided if the requested samples cannot be produced.

Answer:

Please refer to the attached appendix for the dataset relating to dogs recorded in Council's database.

Council can report only on dogs that remain active in its current system. We identified 22 dogs within the scope of your request and manually reviewed each record to compile the information provided in the appendix.

Council does not hold all the information requested. Infringement records are retained for 30 months and are therefore unavailable for the period covered by

your request. Historical information may also no longer be held for dogs that are deceased and no longer active in the system.

Accordingly, Council is unable to provide the complete dataset sought. This part of your request is refused under section 17(g) of the LGOIMA because the information is not held. The appendix contains the information Council currently holds and can reasonably retrieve from its records.

If you are seeking broader national information about dog infringements or enforcement activity, you may wish to contact the Ministry for Cities, Environment, Regions and Transport (MCERT), which may hold relevant information from other sources.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at: [Office of the Ombudsman - Complaints](#), or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website: [Proactive releases - Hutt City Council](#).
