

22 April 2026

Lloyd Buchner

s7(2)(a)

Tēnā koe Lloyd,

Request for Information – Local Government Official Information and Meetings Act (LGOIMA) 1987

We refer to your official information request dated 20 March 2026, seeking information about Wellington Water’s Trade-Waste Consent Register.

Specifically, you requested a machine-readable extract (CSV or XLSX) of the current Trade-Waste Consent Register, limited to industrial food and beverage processors, containing existing fields only. These fields include consent or account number, trading name, NZBN (if recorded), site address, industry classification, risk category, and consent issue and expiry or review dates. You excluded personal staff details, flow, charging or monitoring data, and any investigation or enforcement records, and requested to be advised of any proposed charges before they are incurred.

On 20 April 2026 Council wrote to you to advise that the severe weather event affecting the Lower Hutt area was likely to impact staff availability and access to information required to complete responses. On 21 April 2026 Council wrote to you again to advise that, while weather warnings had since been downgraded, staff continued to be heavily engaged in response and recovery activities, and that Council was therefore unlikely to be able to complete your response within the statutory timeframe.

We apologise for the delay and appreciate your understanding with this.

Answer:

In response to your request, please find attached a spreadsheet containing the requested extract from the Trade Waste Consent Register.

Please note, the Trade Waste Consent Register does not record NZBN information. Where required, NZBN details are publicly available via the [Companies Office](#).

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at: [Office of the Ombudsman - Complaints](#), or freephone 0800 802 602.

Please note that this response to your information request may be published on Hutt City Council's website: [Proactive releases - Hutt City Council](#).

Ngā mihi nui

Rebekah van der Splinter
