Thank you for your Local Government Official Information and Meetings Act (LGOIMA) request of 7 November 2022, asking for information about our road maintenance budgets and expenditure.

Hutt City Council sets goals across different work areas, including roading maintenance, and these are reported in our Long Term and Annual Plans. In each years' Annual Report, the Council compares the goals that were set with how we performed that year. This includes budgeted expenditure and actual expenditure.

The Council publishes its Long Term Plans, Annual Plans and Annual Report on its website, and I refer you to these documents for the information you have requested.

See: www.huttcity.govt.nz/council/annual-plans-and-publications/annual-plans-and-long-term-plans and www.huttcity.govt.nz/council/annual-plans-and-publications/annual-reports

Under section 17(d) of the LGOIMA, we are refusing to supply the information you sought, on the grounds that the information was already publicly available.

Ngā mihi
